

Utsalady Booster Club
Utsalady Elementary School
608 Arrowhead Road
Camano Island, WA 98282

May 2019

Dear Friend of Utsalady Booster Club,

We are excited to announce the upcoming Utsalady Booster Club auction scheduled for Saturday, April 18, 2020 at the Camano Community Center. We are contacting you in the hope of attaining your participation in this very important event.

As you know, national and state deficits as well as local school district budget cuts continue to increase the financial strain on our schools and limit extra opportunities for our children. The Utsalady Booster Club is dedicated to providing the time and resources necessary for every child at Utsalady Elementary School (UES) to participate in field trips, assemblies, after-school events and much more. We know our community cares and we are inviting you to partner with us to help raise the necessary funds to support an exceptional school experience for all UES children.

Historically, the Utsalady Booster Club auction allows us to offer a variety of resources and experiences for UES students over the span of two years. Our past auctions have generated the funds necessary to provide:

- Teacher communication audio aids for all classrooms
- Musical instruments for our music program
- Playground equipment specifically designed for special needs children
- Staff-directed before- and after-school enrichment programs
- Expansion of the garden club including the purchase of a large shed.
- Teacher support with supplies and volunteers
- Reducing or eliminating costs for field trips
- More after school events, including movie night, bingo and skate night.

The goal for our upcoming auction is to raise enough funds to continue to support these important programs. But we need your help.

There are many ways to support the Utsalady Booster Club auction which include sponsorships, item or service donations and/or your participation in the event. Thank you for supporting our children and we look forward to working with you.

Sincerely,

Grant Shaw
